Resilience

Our Mission

LifePath provides the highest quality of services to people needing specialized supports through the blending of professional knowledge, arts and skills in an environment of unconditional respect and dignity.

Areas Served

LifePath is proud to work with these counties directly, and we welcome individuals from across eastern Pennsylvania in our day and residential programs.

LifePath currently serves over 1,300 Individuals.

Services Provided

Residential Homes

Homes are designed to meet the individual needs of each person. Trained staff provide individual - centered care. Homes vary in size from 1 to 8 individuals.

Lifesharing

Lifesharing is a living situation where individuals with special needs are matched with local families or individuals and live with them in their homes long-term, becoming a member of their household.

Supported Living

Our supported living program assists individuals who are able to live independently in an apartment, but need an established foundation of support for some tasks.

Vocational Training

Vocational Training programs aim to enable our individuals to experience the fulfillment that comes from productive and gainful employment.

Day and Community Programs

Our day programs offer the opportunity and support for individuals to learn and grow, share experiences with their peers, and to experience and to be active participants in the community.

Early Intervention

Early Intervention provides services and support to young children experiencing developmental challenges and helps their families to foster growth & development.

Ridge Crest

Ridge Crest is a LifePath facility located in Sellersville, Pennsylvania that is specifically dedicated to serving children and young adults with medical needs, intellectual and developmental disabilities. Ridge Crest provides a warm, home-like atmosphere for these medically-fragile and technology-dependent individuals, while helping each of them to reach his or her fullest potential: physically, cognitively, socially, and emotionally.

Home and Community Habilitation

Home and Community based programs assist individuals with skills necessary to successfully reside at home in family or community based settings .

Resilience

Hello Everyone and Happy New Year!

I don't think the words Happy New Year have ever meant so much. 2020 really was a bear! We've all experienced losses and hardships this year and we've all been pushed too close to the edge.

LifePath is about people and when our people are challenged, LifePath is challenged. When one staff-person can't work, the staff who do come to work have additional load and stresses. Our staff really are heroes. They have shown us what resilience is all about. They have all made personal sacrifices in order to help the people who we serve.

Our individuals and families have made sacrifices too. The idea of holidays without loved-ones is horrible enough. So many losses, compromises and disruptions have changed our lives. However, many of our people though, are showing the meaning of the word resilience.

Writing this makes me think of a great guy named Bob who is incredibly social and full of positive energy. I know that not seeing his friends is hard on him. He and his home's supervisor have taking a small step towards resilience by sending out piles of greeting cards. It's time for me to make sure he finds some nice cards in his own mailbox!

I'm hopeful for 2021. I'm hopeful that in 2021 our resilience will create rebounds and maybe even some rebirth. I'm hopeful that 2021 will be the year that we stand up and move forward on all fronts. Of course, we can't just hope for things to happen. We have to work together to make 2021 a great year.

I'm pledging all donations that come in response to this annual report to the goal of making LifePath's locations better places for our great staff to work in and better places for people to receive services. Let's help people to start off 2021 in a great way; with some good news and a forward vision.

Thank you for helping LifePath to be resilient!

2020 Family of the Year

LifePath Direct Support Professionals

We were so proud to honor LifePath's Direct Support Professionals as the 2020 Family of the Year at our Annual Luncheon virtual event in November. Since 1974, LifePath DSPs have been the foundation of our organization.

During the quarantine in 2020, the LifePath DSPs were called on to step up to a big challenge and they unwaveringly answered it. While most of the population quarantined and many people in our communities worked remotely, our DSPs continued to show up for work each and every day. Our consumers' lives depend on the DSPs, and they were there, serving as family members during a time when families were not able to visit.

Congratulations LifePath DSPs. You are our 2020 heroes!
